   Labor Day

Tuesday, September 7th, 2010
   No events scheduled

Wednesday, September 8th, 2010
   Panel Discussion on CV and Resume Writing
   Time: 11:00 am
   Place: 4274 Chamberlin
   Speaker: Panel of Physicists, UW Madison

Thursday, September 9th, 2010
   R. G. Herb Condensed Matter Seminar
   Spin, charge and orbital ordering in transition metal compounds: New insights obtained by resonant x-ray diffraction
   Time: 10:00 am
   Place: 5310 Chamberlin
   Speaker: Ioannis Zegkinoglou, Max Planck Institute for Solid State Research, Stuttgart, Germany

Astronomy Colloquium
   “3-D Dust Radiation Transfer: What can it do for you?”
   Time: 3:30 pm
   Place: 4421 Sterling Hall Same Location
   Speaker: Barbara Whitney, UW SAL Department

Graduate Introductory Seminar
   Fundamental Interactions, Symmetries, and Neutrinos
   Time: 5:30 pm
   Place: 2223 Chamberlin Hall
   Speaker: Balantekin, Heeger, Knutson, Ramsey-Musolf

Friday, September 10th, 2010
   Physics Department Colloquium
   Recent Results from the Pierre Auger Observatory
   Time: 4:00 pm
   Place: 2241 Chamberlin Hall (coffee at 3:30 pm)
   Speaker: Jim Matthews, Louisiana State University
