

Friday October 7, 2011

# No Colloquium this Week

Department of Physics Colloquium

## October 2011

**Friday, October 14<sup>th</sup>—Cheng Chin, University of Chicago**

Quantum Phase Transitions and Scale Invariance of Atomic Quantum Gases

**Friday, October 21<sup>st</sup>—Peter Wölfle, University of Karlsruhe**

Title to be announced

**Friday, October 28<sup>th</sup>—Steve Lamoreaux, Yale University**

Nature Adorns a Vacuum: The Casimir Force

## November 2011

**Friday, November 4<sup>th</sup>—Open**

**Friday, November 11<sup>th</sup>—Open**

**Friday, November 18<sup>th</sup>—Peter Littlewood, Argonne National Laboratory**

Title to be announced

**Friday, November 25<sup>th</sup>—Thanksgiving Break**

## December 2011

**Friday, December 2<sup>nd</sup>—Jason Petta, Princeton University**

Title to be announced

**Friday, December 9<sup>th</sup>— Holiday Colloquium**

3<sup>rd</sup> Year Physics Graduate Students, UW Madison Department of Physics
