

Friday November 11, 2011

No Colloquium this Week

Department of Physics Colloquium

November 2011

Friday, November 11th—No Colloquium

Friday, November 18th—Peter Littlewood, Argonne National Laboratory
Condensation of Excitons and Polaritons

Friday, November 25th—Thanksgiving Break

December 2011

Friday, December 2nd—Jason Petta, Princeton University
Coherent Control of Spin in InAs Quantum Dots

Friday, December 9th— Holiday Colloquium

3rd Year Physics Graduate Students, UW Madison Department of Physics

WISCONSIN
