

4:00 pm • Friday December 13, 2013 • 2103 Chamberlin Hall

Department of Physics Holiday Colloquium

Holiday Office Party

The third year class invites you to come and enjoy a catered, afternoon luncheon celebrating the holiday season. There will be fine Italian delicacies including fancy charcuterie, cave-aged cheeses, and local organic vegetables such as vine-ripened heirloom tomatoes. Beverages include the Midwest's world renowned heritage adult beverages and various artisanal carbonated liquids. Please enjoy these Yuletide festivities with a measure of cheer known only once a year in Chamberlin hall. Entertainment will be provided by the third year class.

Beer and Pizza will begin at 4:00 pm

Colloquium will begin at 4:30 pm

Participants must have a wristband to attend.

Wristbands will be distributed Friday afternoon.
