How to Declare a Major or Certificate in Physics

1. Fill out Section A of the Major/Certificate Declaration Form

2. Make an appointment to see a Physics Advisor: Prof. Tulika Bose, Prof. Jan Egedal, or Prof. Deniz Yavuz.

3. The Physics Advisor will fill out Section B (sign and date the form).

To Declare a Certificate in Physics
Return the signed form to the Department of Physics Office

To Declare a Major in Physics
If this is your first major declaration in any department
Return the signed form to the Department of Physics Office

If you are declaring an additional major in the College of Letters and Science
Return the signed form to the Department of Physics Office

If you are declaring an additional major in Physics
AND you intend to major in another department that is NOT part of Letters & Science
(i.e. Engineering, CALS, Education) see Section C on the front of this form.

How to Cancel a Major or Certificate in Physics

1. Fill out Section A of the Major/Certificate Declaration Form

2. Make an appointment to see a Physics Advisor

3. Return the signed form to the Department of Physics Office

How Long will it Take

1. It usually takes about 72 hours to process requests. If you do not see the change in your student center after 1 week, please contact Allison Tredinnick via email allison.tredinnick@wisc.edu.

2. If you are a major in a different college, this process may take longer to complete.
