Announcements

Happy end of the Fall 2020 semester! Congratulations to each and every one of you for managing the stress of graduate school amidst a global pandemic. I am thankful for all of the ways that we've been able to remain engaged and connected virtually this semester through zoom, teams chats, coffee hours, and emails exchanges. I miss seeing all of you in the halls of Chamberlin and hope we will be able to be back together again sometime in 2021. The PhD Digest e-newsletter will take a break for the holidays. The first issue for 2021 will be distributed on Friday, January 8th. I hope you all have a restful and relaxing holiday season whenever you might be. ~Michelle
